EDUCATION

Thapar Institute of Engineering and Technology
BE in Electronics (Instrumentation and Control) Engineering
St. Xavier's Sr. Sec. School, Chandigarh
12th Grade
Auckland House School, Shimla
10th Grade

Aug 2023 – Jun 2027
CGPA: 8.87
May 2023
Jul 2021

EXPERIENCE

Bharat Electronics Limited
Intern – Electronics & Quality Assurance Division

Jun 2025 – Jul 2025

- Performed quality inspection and validation on 100+ Star-V and HVDLF Fin Gun systems, ensuring compliance with defense-grade reliability standards.
- Handled and verified Channel Keys for secure encrypted communication, improving traceability and authentication workflow.

Satluj Jal Vidyut Nigam (SJVN)
Intern – Protection and Energy Management Department

Dec 2024 – Jan 2025

- Analyzed power protection mechanisms including relay coordination, circuit breaker response logic, and grid-fault identification to assess system stability.
- Assisted in evaluating load distribution, fault clearance windows, and optimization strategies for large-scale power networks.

PROJECT

AI-Based Portable Autorefractor for Eye Screening

- Developed a low-cost AI-powered portable eye-screening device by integrating Raspberry Pi, IR imaging, and computer vision for objective refractive error detection.
- Implemented Python and OpenCV algorithms for automated pupil detection and image analysis, enabling rapid, non-invasive vision screening in a portable prototype.

EXTRACURRICULAR

Bureau of Indian Standards (BIS), Thapar University

Joint Secretary

Jan 2026 – Aug 2026

- Organized expert talks and workshops with BIS Parwanoo Branch; managed end-to-end execution including coordination, logistics, and promotions. Promoted awareness of standardization practices and their applications in engineering.

Institution of Engineers India, Thapar University

Design Head

Oct 2025 – Aug 2026

- Leading the design team for IEI events and publications, ensuring brand consistency and impactful communication.
- Designed creatives and motion graphics for Orion, increasing visibility and registrations.

Core Member

Aug 2024 – Oct 2025

- Assisted in designing event materials and collaborated with senior team members on publications.

Thapar Movie Club, Thapar University

Core Member

Jul 2024 – Aug 2025

- Designed promotional graphics and social media content while collaborating on event campaigns.

GirlUp Society, Thapar University

Core Member

Oct 2023 – Dec 2024

- Promoted for exemplary contribution; managed cross-team coordination and facilitated smooth event execution during college-level initiatives.

SKILLS

Technical: Electronics, PCB Design, Embedded Systems, MATLAB, LabVIEW, Arduino, OpenCV

Languages: C/C++, Python, SQL

Analytics: Tableau, Excel, Data Analysis

Soft Skills: Storytelling, Event Management, Communication, Creative Thinking, Leadership

CERTIFICATIONS & ACHIEVEMENTS

- Certified in Six-Week Thapar Summer School Training Program on Machine Learning and Deep Learning.
- Achieved First Prize in Business Quiz at St. Xavier's Sr. Sec. School.
