## EDUCATION

**Thapar Institute of Engineering and Technology**  
*BE in Electronics (Instrumentation and Control) Engineering*  
**St. Xavier's Sr. Sec. School, Chandigarh**  
*12th Grade*  
**Auckland House School, Shimla**  
*10th Grade*

*Aug 2023 – Jun 2027*  
*CGPA: 8.87*  
*May 2023*  
*Jul 2021*

## EXPERIENCE

**Bharat Electronics Limited | Intern – Electronics & Quality Assurance Division** *Jun 2025 – Jul 2025*

- Performed quality inspection and validation on 100+ Star-V and HVDLF Fin Gun systems, ensuring compliance with defense-grade reliability standards.
- Handled and verified 50+ Channel Keys for secure encrypted communication, strengthening traceability, authentication, and secure communication workflows.

**Satluj Jal Vidyut Nigam (SJVN) | Intern – Protection and Energy Management Department** *Dec 2024 – Jan 2025*

- Analyzed power protection mechanisms including relay coordination, circuit breaker response logic, and grid-fault identification to assess system stability.
- Assisted in evaluating load distribution, fault clearance windows, and optimization strategies for large-scale power networks.

## PROJECT

**Netflix Content Analytics Dashboard | Tableau, SQL, Excel**

- Built an interactive Netflix analytics dashboard analyzing 6,234 titles across content type, genres, ratings, release trends, and country-wise availability using structured datasets.
- Created 5+ data visualizations and interactive filters to analyze content trends, audience preferences, ratings, and platform growth patterns, translating data into actionable business insights.

**AI-Based Portable Autorefractor for Eye Screening | OpenCV, Raspberry Pi**

- Developed a low-cost AI-powered portable autorefractor integrating Raspberry Pi, IR imaging, and computer vision for objective refractive-error screening through an 8-module software pipeline
- Implemented Python and OpenCV algorithms for automated pupil detection and image analysis; trained a CNN on 124,794 eye images using an 80/20 train-validation split for myopia classification.

## LEADERSHIP & EXTRACURRICULAR

- Student Placement Representative (SPR) | Electronics (Instrumentation & Control) Branch** *May 2026 – Present*  
Coordinated campus recruitment activities across ~10 companies/drives, including JETRO, Bain & Company, and BlackRock facilitating communication among recruiters, placement teams, and students throughout the hiring process.
- Bureau of Indian Standards (BIS), Thapar University | Joint Secretary** *Jan 2026 – Aug 2026*  
Organized expert talks and workshops, managing coordination, logistics, and promotions.
- Institution of Engineers India, Thapar University | Design Head** *Oct 2025 – Aug 2026*  
Led design initiatives for IEI events and publications; created creatives and motion graphics for Orion.
- Thapar Movie Club, Thapar University | Core Member** *Jul 2024 – Aug 2025*  
Designed promotional graphics and social media content while collaborating on event campaigns.
- GirlUp Society, Thapar University | Core Member** *Oct 2023 – Dec 2024*  
Coordinated teams and supported smooth execution of college-level events.

## SKILLS

**Technical:** Electronics, PCB Design, Embedded Systems, MATLAB, LabVIEW, Arduino, OpenCV, Multisim  
**Languages:** C/C++, SQL  
**Analytical Tools:** Tableau, Excel, Data Analysis, Microsoft Word, PowerPoint  
**Soft Skills:** Storytelling, Event Management, Communication, Creative Thinking, Leadership

## CERTIFICATIONS & ACHIEVEMENTS

- Microsoft Excel Beginners to Advance — Skill Course :** Completed comprehensive training in Excel formulas, IF conditions, sorting, filtering, data validation, Pivot Tables, VLOOKUP, XLOOKUP
- Deloitte Australia — Data Analytics Virtual Experience Program:** Completed a virtual experience focused on data analysis, business insights, and analytical problem-solving.
- Thapar Summer School:** Certified in a six-week training program on Machine Learning and Deep Learning.
